Number of County Jails	95	96	96	97	97
Number of Jails Certified to Hold Juveniles	40	42	75	75	78
Number of Jails that Securely Detained a Juvenile	29	25	21	19	28

Most county jails that are certified to hold juveniles have multiple locations that they can detain youth. These typically range from 1 bed to 5 bed cells, and are used in accordance with the number of youth in custody. Polk County has a pod dedicated to the secure detainment of juveniles, and is generally the only facility in the state with juveniles in custody every day. It is a 5 bed pod.
